Amendment After Final Rejection

SIR:

In response to the Examiner's correspondence dated April 9, 2003, Applicants respectfully request the Examiner consider the following amendments and arguments in determining the patentability of instant application.

In the Claims:

Cancel claim 3 and amend the remaining claims as follows:

1. (Presently amended) A method of treating a patient to alleviate pain without addiction, comprising: administering systemically an amount of noribogaine in the absence of an opioid analgesic to said patient effective to reduce or eliminate pain in said patient.
2. (Original) The method of claim 1, wherein said patient is administered a pharmaceutical composition comprising said noribogaine and wherein said noribogaine is the sole analgesic agent in said pharmaceutical composition.
3. Cancelled.
4. (Presently amended) The method of any of claims 1-3 1-2, wherein said noribogaine is administered to said patient at a dose of between 0.1 mg and 100 mg per kg of body weight.
